Donation in memory of Justice Beverley Browne for her dedication and involvement with youth during her time spent in Nunavut. Sadly Justice Browne passed away this March and the Law Society made a donation of \$2,000 to the Joamie Ilinniarvik School food bank.

## Joamie Ilinniarvik School Food Bank Program

Teacher Jason Rochon started the food bank program years ago. Jason saw a need and decided to address it. He sets up the food bank near the main door. Any student leaving the building for lunch, at the end of the day or for the weekend can grab items for breakfast, lunch, dinner or for snacks.

The students can take one or two items, fill their backpacks or fill an entire bag that is left at the food bank.

The food bank is set up so a student never has to ask. They simply help themselves.
